Black & Green Saturday

a TOUR DE FORCE featuring:

MODERN TIMES THEATER: puppet shows for the street, the school, the barn, the pasture and the subway. The shows convey a general dissatisfaction with post-modern convenience and promote a return to old-timey difficulty.

R.P.M. PUPPET CONSPIRACY:
stinky garbage men with
trashy ideas that are
designed to expose and
tear down this apocalyptic
vision of global capitalism's
disposable planet.

the Boxcutter Cabaret

*an evening of sundry entertainments
presented by a ragtag association of
cardboard wigglers, horn tooters, meat chompers,
and a bell-strapped human xylophone!*

Puppet Tour

Admission: \$5/adults; \$2/children

the DOLLY WAGGLERS: offer up a new low in lowbrow puppet entertainment, the crankiest crankyshows, and cantastorias painted on the dirty sheets of america

plus! sweet music from our collected brass and string ensemble to tickle your ears and pick up your bones
