Black & Green Wednesday

THE GREEN PARTY wants to KEEP ALL PUBLIC SCHOOLS OPEN, instead of destroying public education as the current mayor is doing. A Green Party mayor would REHIRE Fire Chief Sherman George, who was fired by Francis Slay. A Green City government would EXPAND BUS LINES with reduced fares.

Greens would REMOVE LEAD from homes and schools *before* children are poisoned, instead of waiting until after poisoning occurs. Greens work for NO NEW NUCLEAR power plant at Callaway & UNIVERSAL HEALTH CARE with holistic medicine.
